

Emergency Contacts

- Per our policies, I will keep a record of emergency contact information.
- You agree to advise me immediately of any changes to either parent / guardian's contact information provided on the signed Agreement form.
- Below is a list of authorized back-up emergency contacts. You authorize that we can contact these individuals in case of emergency and we cannot reach either parent / guardian.
- If advised by a parent in advance, these individuals are authorized to drop off and pick up the child. Please note that a parent must provide us with prior notice of any pick-up by any authorized individual other than the parents, and that identification will be required at pick up time. We will not release the child unless both of these conditions are met.
